Survey Results 2018

Results In...

Thanks to all who completed the survey, for those that didn't (mini-kickers) next time!

First off, we've grown, four teams, many views, and we are going to make some change in response to some great views.

We will immediately adopt the Devon FA 'We Only Do Positive' campaign. Research show 90% of young players played better with positive encouragement from coaches and parents. Can everybody look online.

Kit. New kit for everyone as cash flow allows. priority is under 11's & under 8's and a new training kits for mini kickers. If sponsors allow new kits/training strips for all. Any sponsors out there?

Facilities. Kitchen overhaul starts this week! Club and Denbury Parish Council have paid for materials. Anyone who offered help thanks, half term looking busy! We have also asked for car park grass to be cut and weedkiller applied.

WC. We have a grant from the ogwell fair committee towards refurbishment, so as soon as kitchen finished we will crack on with the loos. Starting with ladies and then for the brave, the gents!

New pavilion proposals are being reviewed by Denbury and Ogwell PC's. Public money is tight with many other good uses for public funds, but will keep on pushing.

Fantastic ideas about how to better manage facilities. 18 of you offered to make cakes, 12 to help out in the kitchen, 4 to go on a catering course. We will put a rota in place and pay for those willing to complete the online hygiene training certificate. This means we can then sell hot food. Bacon Rolls!

We will also adopt a Rota for cleaning WC which once overhauled should be easier to clean.

Advertising. Boards at the ground can be bought for £100 and then renewed annually for £50. Any small business's out there come on, great advertising and you will be investing in your own club at the same time, win win.

Ground. We now hold the licence for the ground and pay £3k to Denbury PC , a lot, but does not even cover the grass cutting bill for ground, hence our approach to DIY.

Again, thanks to everybody's responses we want to make this the best club, everything we do is voluntary, your help is what this club is built on. If you can help in anyway, please do and let's chase those sponsors!

Thanks,

Ogwell Youth FC
